

# Cookie Monster | ExpressionEngine Plugin

version 0.3

This plugin outputs a cookie compliance consent bar.

## Usage

```
{exp:cookiemonster link="Agree and close this notice."}By continuing to use this site you consent to the use of cookies on your device as described in our cookie policy unless you have disabled them. You can change your cookie settings at any time but parts of our site will not function correctly without them.{/exp:cookiemonster}
```

Place this tag inside your header template, right after the opening BODY tag. You may modify or translate both the link text and the consent as you see fit.

## Features

- Responsive (smartphone, tablet compatible)
- HTML5 compatible/valid

## Installation

1. Upload the **cookiemonster** folder to your /third-party/ (do not rename it, the correct folder name should be **cookiemonster**)
2. Add the tag to your template (see below, or check the plugin's documentation inside ExpressionEngine)

Core is a free, feature-limited edition of ExpressionEngine. [Upgrade Now](#) to get all the features.
